

Vocabulary Cards: Two Ways to make them

Version 1: Make a Card for a Greek or Latin Root

List Example words showing that Root

Here are 4 examples. These cards only have one side.

~~~~~

### Version 2 (see next page): Capture Words You Don't Know

Mostly, from what you're reading

Also, from conversations with grandparents, etc

Write the word and its definition on the front.

Copy the sentence where you found it on the back.

Here are four examples. These cards have a front and back.
